

## SKILL AWARD INSTRUCTION

Note: Please refer to HOWZAT! 1st Innings for further information and instruction.

### 1 Fielding

Working in pairs, the children lob the ball from one to the other. Catcher must move to the ball.

### 3 Bowling

Child should bowl overarm, from 10 metres, in a stationary position, through a 3 metre target on the full or bounce.

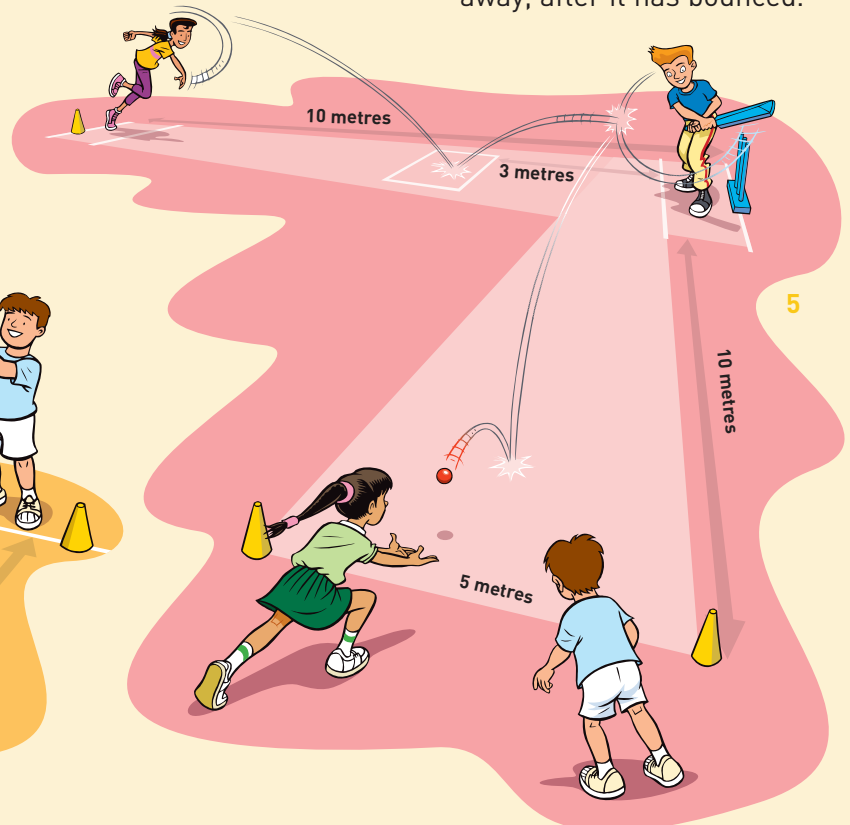

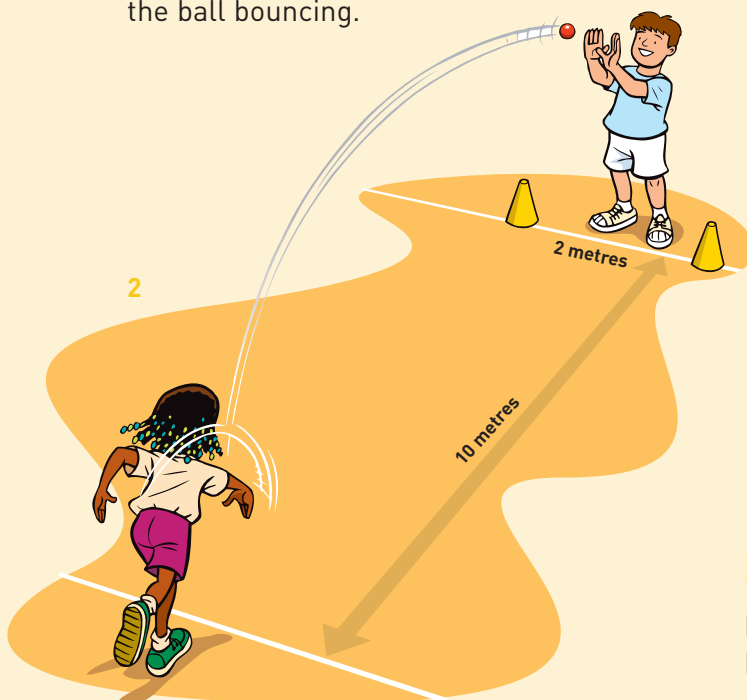

Minimum safe distance

### 4 Batting (Straight Drive)

In pairs, one child stands to the side (always on side facing the batter) and drops the ball for the other child to step forward and hit through a 5 metre target placed 10 metres away, after it has bounced.

### 2 Fielding

In pairs again, one child rolls the ball to the other who must gather and throw overarm through target without the ball bouncing.

### 5 Batting (Pull Shot)

Batter stands with back to target and side on to partner. Ball is thrown by partner and while turning batter should hit ball before it bounces through the target.
